

Attention PCT Travelers:

The Pacific Crest Trail is clear from Deer Creek to Thousand Island Lake.

There are no services available in the Red's Meadow Valley.

Red's Meadow Resort is closed at this time as well as all Forest Service campgrounds. Red's Meadow Road to Minaret Summit and Mammoth Lakes is closed to the public at this time until clean-up work has been completed.

PCT travelers may stay on the trail through the Reds Meadow Valley but are not permitted to hike on the road out of the valley to get to Mammoth Lakes.

Alternate Route to resupply in Mammoth Lakes:

Leave the PCT at Reds Meadow or the junction at Lower Crater Meadow near the Red Cones formation, and cross Mammoth Pass to Horseshoe Lake in the Mammoth Lakes Basin. (avoid the Upper Crater Meadow trail). From Horseshoe Lake, a paved road leads to the town of Mammoth Lakes. Local bus service between Mammoth Lakes and Horseshoe Lake will begin June 30th. This is the best route for PCT hikers to re-supply in Mammoth Lakes until the road is opened.

For more information contact:

Mammoth Lakes Welcome Center at **760 924-5500**
